My Life As A Premature Baby. 996 Words4 Pages. On September 28, 1990, I embarked on this journey called life. Due to me being a premature baby, I had a few complications in my early years of development. Also, my mother who I love dearly has been handicapped my entire life and the first couple of years of my life was wheel chair bound.

I used the Anne Geddes baby book for my first son, and I didn't want to use the same one again when I found out I was expecting, so I ordered this one. In comparison, I think I like the Anne Geddes one a little bit more because the layout seems to flow a little bit better and there are more details such as a tooth chart, a pull-out growth chart ...
