The seven rays is a concept that has appeared in several religions and esoteric philosophies in both Western culture and in India since at least the sixth century BCE. They are also known as chohans or angels from heaven. In occidental culture, it can be seen in early Western mystery traditions, such as Gnosticism and Mithraism, and in texts and iconic art of the Catholic Church as early as ...

A good example of this is the Mormon practice of using 1 Cor. 8:5b: "...for there be gods many and lords many..." as a "proof text" of their doctrine of polytheism. However, a simple reading of the whole verse in the context of the whole chapter (e.g. where Paul calls these gods "so-called"), plainly demonstrates that Paul is not teaching ...
